

**BOWEL PREP CHART**

After drinking all of your prep, your bowel movements should be all liquid yellow and clear like #5. If so, you are ready!

*If your bowel movements are solid, have semi-solid particles or look like # 1, #2 or #3 you are not prepped well enough and need to let us know. If this is the case, please call 425-831-3537.*

**IT IS VERY IMPORTANT TO DRINK ALL OF YOUR PREP!**

Please do not stop drinking the prep just because you have had several clear bowel movements.
